

INSTITUTE FOR LAY FORMATION

Spiritual Directors 2021-2022

For LEM and M.A.P.S. Students

Spiritual Directors International offers the image of three chairs as a visual reminder of who is present during spiritual direction. In one chair a seeker sits, desiring a deeper relationship with God. In a second chair, a spiritual director listens, inquires, and holds the space for the seeker to encounter the true Spiritual Director in the third chair.

SPIRITUAL DIRECTORS 2021-22

The “match” of a spiritual director and directee is very personal. You want to interview a spiritual director to get a feel for who they are, their level of experience, their training, etc.

Some questions you might want to consider are:

- 1. What spiritual formation and theological education do you have in spiritual direction?*
- 2. What is your experience as a spiritual director? How many years?*
- 3. How do you continue in your education and supervision for spiritual direction ministry?*
- 4. What type of engagement agreement will we establish to clarify roles and responsibilities in our spiritual direction relationship?*

Please note: The Institute for Lay Formation is making this information available to students as an aid in their search for a spiritual director. The names of the people in this booklet should not be perceived as a recommendation on the part of the Institute for any one of these spiritual directors over any others. The Institute does affirm these are Catholic spiritual directors which is a requirement for the LEM program. It is up to the student to ascertain as to any stipend for which a director may ask.
