

MUNDELEIN SEMINARY

2018 ANNUAL REPORT

DEAR FRIENDS OF MUNDELEIN SEMINARY,

How can a priest serve as a bridge between God and His people?

This is a question the men studying at Mundelein

Seminary seek to answer through their years of priestly formation. As societal shifts continue, the Catholic Church needs leaders now more than ever. The time that seminarians spend studying, praying and conforming their hearts to the will of Christ has a formative impact on the future vitality of the Church .

Each year, men from dioceses in the United States and worldwide embark on the next step of their vocation to the priesthood at Mundelein Seminary. Once ordained, they commit themselves to a unique and important charism—to be devoted, loving shepherds to parish flocks. Parish priests are called upon at the most critical moments of parishioners’ lives—marriage, birth, illness, death—to bring Christ into those experiences. But a good parish priest is also engaged in helping people to grow in holiness, receive the Sacraments, and recognize the presence of God in their daily lives and in one another. Our program at Mundelein

Seminary is designed to help seminarians recognize and hone their pastoral gifts to become priests with a heart for parish ministry.

This year’s annual report offers a look at the pastoral and educational formation the men receive in each year of seminary: from academic classes and service-learning opportunities to parish immersion experiences and a pilgrimage to the Holy Land. The formation of your future parish priests is only possible through your generous and prayerful support of our mission. As the seminarians prepare themselves to be the next generation of parish priests, your example of faithful stewardship is an inspiration to them . Your investment in these men is an encouraging sign of hope for the future of the Church.

Together with you in Christ, we are Mundelein. We form parish priests.

Yours in the Heart of Christ,

Very Reverend John Kartje
Rector/President

About the University of Saint Mary of the Lake / Mundelein Seminary

The University of Saint Mary of the Lake is regarded as one of the top universities for the education and formation of parish priests and Catholic parish leadership and has been in continuous operation since 1921. The flagship program of the university is Mundelein Seminary, the graduate school of Theology named after the late Cardinal George Mundelein who built the campus in the 1920s. Mundelein Seminary is now one of the largest Catholic seminary programs in the country, with nearly 200 seminarians enrolled from more than 30 dioceses around the world.

Men enter seminary either from a four-year college seminary or after having earned a degree from another discipline. Every seminarian is required to

have a Bachelor’s degree and study two years of philosophy—either through a college seminary or by completing philosophy studies through Mundelein’s two-year Pre-Theology program. After completing the philosophy requirement, seminarians spend four years earning a Master of Divinity before ordination.

Mundelein Seminary offers an integral formation which encompasses the human, spiritual, intellectual and pastoral dimensions of priestly commitment. Through prayer, study, pastoral and service experiences, our seminarians are conformed to Jesus Christ who is Teacher, Priest and Shepherd. The following pages provide a glimpse into each year of the seminarian experience at Mundelein and the path to becoming a parish priest.

Pre-Theology

The Pre-Theology program serves incoming seminarians who have not completed the requisite two years of philosophy that provide a foundation for the study of theology. In addition to their academic studies, seminarians spend these years focused on their human formation—maturing in their relationship with the Lord and their decision to follow Him. They are also assigned to serve in an apostolate in the field of health care or assisted living.

Pre-Theology I Classes

- ANTHROPOLOGY
- ANCIENT & MEDIEVAL PHILOSOPHY
- ECCLESIASTICAL LATIN
- CATECHISM OF THE CATHOLIC CHURCH
- EPISTEMOLOGY

Pre-Theology II Classes

- INTRO TO OLD & NEW TESTAMENTS
 - INTRO TO PASTORAL THEOLOGY
 - DOCUMENTS OF VATICAN II
 - MODERN PHILOSOPHY
 - GREEK
-

“Diving academically into the faith as I’d never done before excited and motivated me. It helped deepen my faith convictions and opened new avenues of thought to share with believers, non-believers and, God willing, future parishioners.”

Matthew Ockinga, Diocese of Yakima

Theology I

As a seminarian begins his theological studies, he is focused on his configuration to Christ—allowing the sentiments and attitudes of Christ to arise in his own heart. In addition to classes and formation sessions, first-year theologians begin spending ample time at their teaching parishes, where they engage with the parishioners and a mentor pastor. They also declare their candidacy for the priesthood and are installed to the order of acolytes, granting them the responsibility of assisting priests and deacons in the Eucharistic celebration.

Theology I Classes

- EVANGELIZATION, CATECHESIS, FAMILY AND MINISTRY
 - MORAL THEOLOGY
 - NARRATIVE PREACHING
 - MEDIEVAL CHURCH HISTORY
 - CHRISTOLOGY & SOTERIOLOGY
-

“Faculty at Mundelein are patient and very supportive of our formation, and are ready to take part in our development. Mundelein provides every possible aid that one would need in this great spiritual journey toward being a good and holy pastor.”

Ankit Jose Mathews, Syro-Malabar Catholic Archeparchy of Kottayam

Theology II

In the second year of theology, seminarians are installed to the order of lectors to proclaim the Word of God. They continue to take classes and engage in youth ministry at their teaching parishes. They spend the second semester on internship at a parish in their home diocese, where they are fully immersed in the life and ministries of the local Church.

Theology II Classes

- PASTORAL CARE AND COUNSELING
 - SYNOPSIS GOSPELS & ACTS
 - SEXUALITY & VOCATION
 - REFORMATION & REVOLUTION
 - SACRAMENTS OF INITIATION
-

“Second Theology is that pivotal moment where a man should make his decision on what his future will be—when he truly says ‘yes.’ I moved from discernment of priesthood to discernment of what type of priest God is calling me to be, and how I will integrate all my years of formation.”

Johnathan Johnson, Diocese of Grand Rapids

Theology III

Seminarians spend the third year of theology preparing for their ordination as transitional deacons at the end of the year. This journey culminates with a nine-week study-pilgrimage to the Holy Land, where the Sacred Scriptures come alive for them and they grow in their understanding of what it means to be a priest.

Theology III Classes

- THE DEACON AND THE LITURGY
 - HOMILETICS
 - SACRAMENTS OF HEALING AND VOCATION
 - ECCLESIOLOGY AND MARIOLOGY
 - SOCIAL JUSTICE
-

“Third Theology was a transitional phase that helped me understand that the path to priesthood is not something we choose on our own, but rather a calling we follow so we may serve the people of God. Spending a semester in the Holy Land was also a tremendous blessing.”

Deacon John Hoang, Diocese of San Jose

Theology IV

The fourth-year seminarian serves as a deacon at his teaching parish, continuing his pastoral formation, celebrating the sacraments of marriage and baptism, proclaiming the Gospel and preaching homilies, and providing liturgical and catechetical assistance to his mentor pastor. Upon completion of their fourth year of theology, these men are called to Ordination as parish priests--ready to serve as a bridge between God and His people.

Theology IV Classes

- RECONCILIATION PRACTICUM
 - PASTORAL ADMINISTRATION AND LEADERSHIP
 - CANON LAW
 - THE PRIEST AND THE LITURGY
 - NARRATIVE PREACHING
-

“It is crucial that seminarians establish healthy friendships that are going to sustain them when they move on to their parishes. The final year of seminary was also a very appropriate time to strengthen our relationship with Jesus Christ, the reason for our call and the goal of our priesthood.”

Father Robinson Ortiz, Archdiocese of Chicago

Teaching Parish

Program

The Teaching Parish Program is at the heart of seminarian formation at Mundelein. This innovative program immerses our seminarians in parish life throughout their time in seminary. Students are assigned to one of more than 80 teaching parishes in the Archdiocese of Chicago and nearby dioceses. By spending their entire seminary tenure at the same parish, they are able to form true bonds with parishioners and fully invest themselves in the life of the parish. Our seminarians spend time each week at their teaching parishes—learning practical and pastoral skills from experienced mentor pastors, participating in Masses and parish events, getting to know parishioners personally, and gaining a better understanding of what it takes to shepherd a community of faith.

While the Teaching Parish Program is an essential educational experience, it is also an opportunity for our seminarians to enrich local parishes through their presence and spiritual gifts. Seminarians are frequently called upon to teach CCD and RCIA classes, lead parish Bible studies and small faith-sharing groups, and attend youth and young adult group meetings and events. By interacting with the lay community in these ways, they learn to pass on their faith—inspiring vocations in young Catholics and renewing hope in the future of the Church.

“This program gives us the opportunity to enter into very real-life ministerial experiences with the people at our teaching parishes, and then bring those insights back with us to the seminary.”

Chris Aust, Diocese of Joliet

HOLY + LAND PILGRIMAGE

Through your generosity and funds from the Theological Education Endowment, third-year seminarians leave Mundelein in early January every year to embark on a nine-week Scripture Study Pilgrimage to the Holy Land. The opportunity to literally walk in the footsteps of Christ while pursuing a vocation to become leaders of His Church is a profoundly moving experience. These men feel the presence of the Holy Spirit guiding their journey throughout the trip and compelling them to more fervently devote themselves to their calling upon their return.

The trip gives these future priests the opportunity to study, pray, and tour in Bethlehem, Jerusalem, Nazareth, and other holy sites. Occasions for prayer and fellowship abound as the seminarians visit the places and sacred spaces where Jesus was born, grew up, and lived out his ministry. The Gospel comes to life for our seminarians in a fresh, first-hand way.

When they return in the spring, these men are ordained as transitional deacons for their home dioceses. Many seminarians look back on the Holy Land pilgrimage as one of the most spiritually transformational experiences of their lives.
